

Château Bonisson

Cuvée B Rosé BIO

Coteaux d'Aix-en-Provence AOP

Cuvée B, for Bonisson, signs a range of fine **Provençal wines** which symbolise the family's desire to honour all three colours present in the estate's vineyards. Made from the **finest parcels**, these wines represent the best that nature has to offer in each vintage. The alchemy of blending adds that extra *je ne sais quoi* every year, to give the purity, intensity and ageing potential that only the greatest wines possess.

B en Rosé comes from carefully matching soils and grape varieties in each parcel to give this beautifully refined and elegant rosé its unique expression. This wine offers subtle notes of citrus and spices with a rich yet eminently fresh finish.

VARIETAL BLEND Cabernet Sauvignon (5%) / Cinsault (20%) / Grenache (40%) / Syrah (15%) / Vermentino ou Rolle (20%)
