

NEGRONI

ANTICA DISTILLERIA

Grappa di Prosecco Cartizze

Color:
brilliant and transparent

Bouquet:
slightly fruity

Taste
smooth and balanced.

Alcohol content:
40% alc.vol.

This **Grappa di Prosecco Cartizze** comes from the traditional slow bain-marie distillation method of very selected grapes. Exaltation of fruity flavours and aromas of Prosecco and Prosecco Superiore di Cartizze, which originate from a highly prized area that produces unique, elegant and refined sensations.

Perfect to taste at room-temperature but very good in lower temperatures too as after taste.
